it is free. There are two modes in the soccer game: one player mode and two player mode. There are two teams that can play soccer in this game. If you like to play soccer on your smartphone, then install this app and enjoy the game. As a soccer player you have to score and score the ball. The ball goes through the goal in this mode. As a goalkeeper you have to catch the ball to score a goal. You must use the goal to get the ball into the goal so that you are not trapped in the goal. You can use several shots to score a goal, but you cannot use more than one shot to take the ball. If the ball falls out of the goal, you will lose a life. When you lose a life, you can start the game over and have another chance to score a goal in this game. If you cannot score a goal, you can try again. If you can't score a goal, you lose a life. And just because you can't score in this game doesn't mean you can't score in the next one." That was the philosophy of Manchester United soccer club. In the 2008/2009 season Manchester United were as close as ever to winning another league title, and the Red Devils approached the main match of the season as the clear favorites. But, throughout the season, Manchester United were haunted by a series of setbacks that prevented the Red Devils from winning the league title.
