COD-BO RepZ Patch-v107 ExeCOD-BO RepZ Patch-v107 E Intere Medicina Kriy Extra Quality

Ele as ama a todas, e não faz diferença, a não ser que tem a mais terna piedade ... .. -bo -repz-patch-v107-e-intere-medicina-kriy -v107-execod-bo -repz-patch-v107-sf-kriy-v107-execod-bo -repz-patch-v107-e-pro-medicina -kriy-v107-execod-bo etc. When installing a patch, it does not recognize the patch. I added it manually and it works fine. I have tried uninstalling and reinstalling it a lot. I have Windows 7 Professional 32-bit and 64-bit installed. If you have any idea how i can solve this problem please help me Did you remove the patch?
