In your code you are using a string to represent a binary integer. So your code should be something like this: string line = split[0]; int roll = Convert.ToInt32(split[1]); If I understand your question correctly you are simply trying to convert the string to a binary number. I hope this helps. Toenail cuticle abnormalities in children exposed to pesticides. To assess whether ingestion of pesticides might be associated with an increased risk of developing skin abnormalities, such as onychoschizia and onycholysis, we conducted a cross-sectional study in 535 children aged 6-13 years in a municipality of Campania, Italy, where pesticides are commonly used. The prevalence of onychoschizia, onycholysis, and onycholithiasis was 4.2%, 12.3%, and 8.1%, respectively. Onycholithiasis was associated with ingestion of organophosphate pesticides; the adjusted odds ratio (ORadj) for the presence of onycholithiasis was 3.5 (95% confidence interval (CI)=1.1
