7-May-2015, 08:34 (Reposted from) -. I have to admit, though, that I'm a total newbie when it comes to computers, and even if I've used VirtualDJ before, I've never really fully understood how it operates.. But since I've already spent so many hours searching the web and asking around, I figured now was the time to get my VirtualDJ questions answered. Now, since I'm still a complete newbie when it comes to this topic, it's very difficult for me to

ask things that I might ask later, which is why I simply post everything in this thread: Jokers 3, no Inventar.6-May-2015, 06:48 . 7.0.5 Serial Number is a kind of Serial, SerialNumber, SerialKey, SerialCode program in the software category..
