Fifa 22 Features Key:

- **Thousands of licensed teams and players for players in the FUT Manager mode.** FIFA Ultimate Team mode delivers a richer, deeper game experience as you mine game data and use your management skills to assemble a team of real-world footballers. Through game play and FUT Contracts mode, built with over 25,000 items available from 3,000 verified

licenses, you can mould this fantastic team into something truly unique. Full stats, goals, assists, and ratings are also recorded, and you can even adjust some of the in-game details including preferred weapons, kits, and boots to perfectly suit your players.

- **The most complete career mode to date.** The rich and detailed on-pitch game play, and Player Career mode that lets you take a more immersive route. You can now design your player's jersey for the first time, and take control of the training process and even determine when to rest your players. With improved AI logic and construction of league play, as well as five new stadiums to design and manage, you can now truly customise your games to playstyle and taste. Feel the joy of pride as you help your team reach the top of the league, and grow that bond within your squad as you take in their triumphs, and tears of despair as you endure the long waiting times for European qualification.
- **Record your best goals and keep your trophies.** Capture your shots and create your own play sequences. With the Virtual Reality Aim feature, take on the role of five different players to get the best of the defenders, and use the ground motion in Real Reality mode to your advantage. In goalkeeping, you need to learn to make all of your reflex saves, developing your throw-ins and overshooting to become the best goalkeeper in the league. Every time you score, collect your high-end trophy. Keep track of your goals by collecting them in your world game. No sign-up required. Start playing today!
- **Live the euphoria of being at the top of the world.** Watch as your team pulls off goals that defy the laws of physics. Celebrate every victory - no matter how small. Every spectacular goal, killer tackle, or match-winning final ball will enhance your player's rating, and make you hero in your community.
